Note Date	Record Manager	Note
5/15/2007	Chris Huffman	Met Lance at one of the the Tour de France fund raising parties held for our country's team.
6/13/2007	Allison Mikola	Ethan is the buyer, but Lance makes the decisions. They are preparing to expand their opportunities into quite a few locations around the world. Orders could be big. They will definitely look to make decisions based on <ul style="list-style-type: none"> •efficiency •profitability •competitiveness We could start operations as soon as the end of this year in converting all of their plants.
8/27/2007	Chris Huffman	Computer companies are a prime target for the TechONE systems. This company is also a big opinion leader and could have significant impact on other companies of their type in the industry. It would be great if we could close them before the end of the year. We could play to their leadership role in the industry.
4/27/2008	Chris Huffman	Testing to be sure we meet tougher California standards.
12/29/2008	Melissa Pearce	Send sales sheets with the new proposal
8/13/2009	Chris Huffman	The TechONE System is perfect for their organization. <ul style="list-style-type: none"> •100% ROI in less than 6 months •Eco Friendly. Would give them an advantage in their efforts to be "green" company wide. •The TWO Component would be recommended to speed up their adoption. It could easily provide them with the ROI they are looking for based on our analysis. They have several factories throughout the world that could easily take advantage of our system. <p><i>They are looking for the <u>unique experience</u> that we can offer in the final implementation.</i></p>
9/30/2009	Chris Huffman	This could be an important account for us. Green Plastics has great influence in the industry and could refer us.
5/6/2010	Chris Huffman	Met with Suzie, and she likes the product based on the demo. She's traveling to CA for business over the next few weeks, and will likely make a decision to purchase by end of the month.
12/22/2011	Durkin Computing	TEST NOTE
